

# IMPORTANT CAMP INFORMATION

## REGISTRATION

Registration will begin mid-February, and will continue up to the first day of camp (availability pending). Payment, as well as all necessary health forms, must accompany a completed registration packet. If an incomplete camp registration packet is received, the child WILL NOT BE REGISTERED FOR CAMP. If the camp reaches capacity before all required documents are received for a camper, they will not be guaranteed a spot. Once a complete registration has been received, an email will be set confirming the child's registration.

## REFUNDS AND TRANSFERS

If a cancellation is received prior to the start of camp, a full refund will be issued. Once a child's registration has been processed, if the child fails to attend, experiences incomplete attendance, or is dismissed for any reason, no refund or transfer of fees paid will be made. Transfers from one camp week to another are acceptable if space is available. All transfers

## HEALTH AND SAFETY

According to Massachusetts State Law, each child must have a physical examination, and an up to date immunization record signed by a physician to attend camp. Children are required to have had a physical within 18 months of attending camp. Registrations submitted without this required information will be placed in a pending status. This camp must comply with regulations of the MDPH, and be licensed by the Marlborough Board of Health. Parents have the right to review background check, health care, discipline policies and grievance procedures.

## SKILLS AND GROUPING

Campers will engage in a mix of large, and small group activities throughout the camp day. For our instructional gymnastics time, campers will be split into groups based on gender, age, and ability level. Groups will not exceed 10 children per instructor. Each child's current skill level will be assessed, and skill progressions will be taught appropriately across all events.

## CAMP HOURS / EXTENDED DAY

Camper pickup for standard day is by 3:00 sharp at NEAG. Extended care programs are offered until 5:00pm. If a child is not picked up by their appropriate pickup time, there will be a \$10 per child fee for late pickup.

## FOOD

Campers must bring their own lunch, drinks and snacks daily. NEAG will have additional drinks available for purchase if necessary. Please note, we are not a peanut-free facility. However, we take food allergies very seriously, and do not allow any sharing of food for the safety of our campers and staff.

## WHAT TO WEAR

While doing gymnastics, your child should wear something comfortable and fitted. Leotards for girls, or shorts and a fitted shirt for boys work well. Please no clothing with any buttons, snaps, zippers, or any other embellishment will be allowed in order to protect your child, and our equipment. During chilly days, consider packing layered athletic attire such as sweatpants, long sleeved shirts, or sweatshirts (no hoods please). Please no jewelry except stud earrings. Long hair will need to be pulled back in a nonv. braid. or bun.

## COVID-19

Masks are optional for all students and staff. We have enhanced our cleaning regimen to frequently sanitize all high-touch areas throughout the gym and lobby areas, as well as provided additional sanitizing stations at every event in the gym, and in several locations in the lobby area. We ask that any student who is exhibiting 2 or more Covid-19 symptoms stay home from camp. If a student should begin to exhibit symptoms while at camp, they will be quarantined and the parents will be called to pick the child up. We do not require

## FIELD TRIPS

Daily field trips are a part of the vacation camp day and fall within the standard daily hours of camp. Exact times for each trip differ by day and will be emailed home in advance, as well as posted at drop-off at the start of each camp day. All field trip costs are built into the registration fee. Transportation will be provided via licensed school busses to, and from every trip. Pick up and drop off at field trip locations is not permitted. Some of our field trips may require waivers. These will be emailed home with field trip itineraries. Please fill out the appropriate waivers, and return them prior to the start of the camp day. Campers without waivers may forfeit the
